This session is required as a preparation for the hands-on workshop on Saturday!

8:30

8:35-9:00

9:00-12:30

10:30-11:00

Break

12:30-13:30

13:30-15:30

Lunch

“Anorectal malformations: from anoplasty to future innovations”

College Tour Ernesto Leva

Interviewed by Iris van Rooij and Ivo de Blaauw

Interactive debate

‘Dentate line’ in perineal and vestibular fistulas?
Anteriorly displaced anus is not an entity in ARM
Is cutback anoplasty/Y-V anoplasty is a good treatment?

TED Talk: ‘Future surgical innovations’

Nicole Bouvy

15:30-16:00

Break

Parallel session 1
Innovations in
Pediatric Surgery

Parallel session 2
Quality of life

Parallel session 3
Surgery in cloaca

Parallel session 4
Abstract ARM/
incontinence

16:00-18:00

18:00-18:30

European Reference Networks for colorectal diseases

Dalia Aminoff, Wout Feitz

18:45-23:00

Social dinner

Friday December 7th 2018

8:30-9:00

Panel discussion: Hirschsprung's disease cases

Moderators: Roxana Rassouli/ Paola Midrio

Panel: Kristiina Kyrklund, Stefan Holland-Cunz, Michael Stanton, Piergiorgio Gamba

9:00-12:30

Live surgery

This will be a live HD case, with an interactive discussion between the OR and the audience.

Surgeons: Marc Levitt/ Herjan van der Steeg/ Marieke Witvliet.

Moderator: Ivo de Blaauw

Panel: Mikko Pakarinen, Yaron Armon, Pim Sloots, Richard Wood

Video surgery / basic course

9:00: Neonatal diagnosis/ treatment of HD
Martin Lacher

9:30: Basic pathology in HD
Stefan Holland-Cunz

9:45: Hirschsprung associated enterocolitis
Michael Stanton

10:30: Steps of TERPT/ Duhamel with videos

This session is required as a preparation for the hands-on workshop on Saturday!

10:30-11:00

Break

12:30-13:30

Lunch

13:30-15:30

"Hirschsprung's disease: from etiology to treatment"

College Tour Duccio Cavalieri: place of microbiome in HD

Interviewed by Iris van Rooij and Ivo de Blaauw

Interactive debate

Contrast enema is of no use to confirm HD diagnosis

Full thickness biopsy is superior to suction biopsy for the diagnosis of HD

The best timing for total colectomy is at one year

State of the Art: Neuromodulation in obstipation and incontinence

Jarno Melenhorst
